**SUPPLEMENTARY INFORMATION:**

On August 25, 2022, HUD issued the “Notice of Annual Factors for Determining Administrative Fees for the Section 8 Housing Choice Voucher, Mainstream, and Moderate Rehabilitation Programs for Calendar Year 2022”, at 87 FR 52393. The notice published omitted specific information and included incorrect website links. This notice replaces that notice in its entirety for added clarity but does not change the Annual Factors for Determining Administrative Fees.

## **A. Background**

This Notice provides HUD’s methodology used to determine the CY 2022 administrative fee rates by area, which HUD uses to determine PHA administrative fees for the HCV, Mainstream Vouchers, Emergency Housing Voucher (EHV) and Moderate Rehabilitation programs, including the Single Room Occupancy (SRO) program.

The HCV Program is the federal government’s major program for assisting very low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. Mainstream Vouchers are tenant-based vouchers serving households that include a non-elderly person with a disability. The Emergency Housing Voucher (EHV) program was authorized by the American Rescue Plan Act (ARPA) Pub. L. 117-2, enacted on March 11, 2021. Through EHV, HUD is providing 70,000 housing choice vouchers to local Public Housing Agencies (PHAs) in order to assist individuals and families who are homeless, at-risk of homelessness, fleeing, or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, or were recently homeless or have a high risk of housing instability. The Moderate Rehabilitation Program provides project-based rental assistance for low-income families and the SRO program provides assistance to homeless individuals. Both programs have been repealed and no new projects are authorized for development. Assistance is limited to properties previously rehabilitated, with assistance being provided pursuant to a housing assistance payments (HAP) contract between an owner and a PHA.

## **B. CY 2022 Methodology**

For CY 2022, in accordance with the 2022 Appropriations Act (Pub. L. 117-103), administrative fees are determined based on vouchers leased as of the first day of each month. This data is extracted from the Voucher Management System (VMS) at the close of each reporting cycle and validated prior to use. For Moderate Rehabilitation, including SRO program HAP contracts, administrative fees are earned based on the units under a HAP contract.

In the attached table, two fee rates are provided for each PHA. The first rate, Column A, applies to the first 7200 voucher unit months leased in CY 2022. The second rate, Column B, applies to all remaining voucher unit months leased in CY 2022. However, in the case of EHVAs, PHAs are allocated the full Column A administrative fee amount for each EHV that is under HAP contract as of the first day of each month in accordance with PIH Notice 2021-15, Emergency Housing Vouchers – Operating Requirements, issued on May 5, 2021. The funding for EHVAs, including administrative fee funding, was appropriated through the ARPA separate and apart from the regular HCV program appropriations provided through HUD's annual appropriations acts. Eligibility for EHVAs is limited to the vulnerable populations described earlier and may not be reissued after September 30, 2023.

In some cases, the fee rates calculated for CY 2022 are lower than those established for CY 2021. In these cases, the affected PHAs are held harmless at the CY 2021 fee rates.

The fee rates for each PHA generally cover the fees for areas in which the PHA has the greatest proportion of its participants, based on Public Housing Information Center (PIC) data submitted by the PHA. In some cases, PHAs have participants in more than one fee area. If such a PHA chooses, the PHA may request HUD establish a blended fee rate to proportionately consider all areas in which participants are located. Once a blended rate is established, it is used to determine the PHA's fee eligibility for all months in CY 2022. The 2022 HCV Funding Implementation Notice will describe how to apply for blended fee rates and provide a deadline date for submitting such requests. The Notice can be accessed through the following link:  
[https://www.hud.gov/program\\_offices/public\\_indian\\_housing/publications/notices](https://www.hud.gov/program_offices/public_indian_housing/publications/notices).

PHAs operating over large geographic areas, defined as multiple counties, may request a higher administrative fee rate if eligible. The 2022 HCV Funding Implementation Notice will describe when to apply for higher fee rates and the deadline date for such requests. Higher administrative fee rates differ from blended administrative fee rates in how they are calculated. Requests for higher administrative rates must clearly demonstrate that the PHA's published rate cannot cover its projected expenses. Next, a breakeven rate is calculated to ensure the PHA receives sufficient funds to cover its expenses while also ensuring the administrative fee reserves do not grow.

This Notice identifies the monthly per-voucher-unit fee rates to be used to determine PHA administrative fee eligibility. These fee rates are accessible through the following link: Current fee rates remain posted at: [https://www.hud.gov/program\\_offices/public\\_indian\\_housing/programs/hcv/guidance\\_and\\_notices](https://www.hud.gov/program_offices/public_indian_housing/programs/hcv/guidance_and_notices), under the Notices and Guidance for PHAs section.

### **C. Moving to Work (MTW) Agencies**

In cases where an MTW Agency has an alternative formula for determining HCV Administrative Fees in Attachment A of their MTW Agreements, HUD calculates the HCV Administrative Fees in accordance with that MTW Agreement provision.

for Public and Indian Housing.*
